STEP 1

START YOUR SEARCH

To login to Quick Quote please click [here](#).

Start your search by filtering packages by duration, start location and transport type. If you already know the name of a package you can search for it.

The screenshot shows the Pacific Destinations website interface. On the left, there is a sidebar with filters for Duration, Start Location, and Transport Type. The main area displays a grid of 12 travel packages, each with a title, duration, start location, and transport type. A search bar is visible at the top right of the main area.

STEP 3

ENTER DATE, CLASS & PAX DETAILS

Select accommodation class, set your room and passenger configuration, and choose a travel date. Click on **Get Price** to see an estimate.

The screenshot displays the Pacific Destinations booking interface. On the left, a sidebar lists navigation options: "Our Tools" (Existing Quotes & Bookings), "Tourplan Tools" (Create Quote/Booking), and "Tariff". The main content area features a grid of four destination images. A "Settings" modal is open, allowing users to configure their booking. The modal includes dropdown menus for "Accommodation Class" (set to "4 Star") and "Room 1" (set to "Double - 2 Adults"), an "Add Room" button, and a "Travel Date" field with a calendar icon. A "Get Price" button is located at the bottom of the modal. To the right of the modal, the itinerary is displayed under "Day 1", "Day 2", and "Day 3".
